Dear Sponsor,

Sandalwood High School (SHS) is the largest high school in Duval County, an “A” rated school, and designated a School of Excellence by the Florida Dept. of Education. With over 55% of the students classified as economically disadvantaged, SHS is also classified as a Title I school, which puts significant financial pressures on the Instrumental programs. The SHS Instrumental programs are designed to offer the highest level of instruction to our students. From beginner to the most accomplished, there is a spot for all students interested in learning and loving music. We strive to give each student the tools and skills necessary to graduate as independent music makers: Empowered to participate in the performance and appreciation of music for the rest of their lives. Participation in a musical ensemble can be an extremely rewarding experience and promotes self-discipline, responsibility, and respect. Limited resources are augmented with the assistance of the Sandalwood Band Association (SBA), a 501(c)3 organization that provides financial support to the Instrumental programs.

It takes approximately \$125,000 per year to run the Sandalwood High Band Program. This includes The Mighty Marching Saints and Concert Bands, the latter of which has expanded to an impressive three levels. The SBA program relies solely on limited registration fees from parents/guardians of the band members, continual fundraising and sponsorships to fulfill the budgetary shortage. This year we need to raise approximately \$40,000 and I’m asking for your help. A contribution to the SHS Band Program will help us to offer amazing experiences to all students, regardless of their financial situation. When you make a donation, you are helping provide:

- Year-round instruction from nationally recognized educators.
- Music to perform, as well as other curriculum materials.
- Instrument / equipment repair and replacements.
- Transportation to all performances.
- Educational travel opportunities.
- Entrance fees for local and national competitive events.
- Awards to honor outstanding students.
- Uniform care and concert wear to help our students look their best.
- Scholarships for various camps.
- Improve language and leadership skills, test scores, citizenship and self-esteem.
- And much more!

With four different Sponsorship Packages to choose from, there is one certain to fit any company’s budget. The different Sponsorship Packages can be found on the next page, along with the instructions on how to donate. By stepping up and becoming a corporate sponsor, you can rest assured that your tax-deductible contribution is benefitting an outstanding band program by helping all of the Sandalwood Band students to improve language skills, test scores, and self-esteem to name a few.

Many thanks in advance for your sponsorship! GO SAINTS!!

Michael Delaney
